WHY IT FEELS EFFORTLESS

The Room Is Yours

Private and exclusive. You will never share the space with another party. Set to your floor plan, linens pressed, before the first guest arrives.

The Bar Is Yours

Your own private bar and bartender. Host it in full, add the all-inclusive package, or let guests run their own tabs.

One Point Of Contact

One coordinator from first enquiry to final invoice. Nothing to chase, nobody to be transferred to.
