

May 2017 Ladies Group Lessons

If you are a female golfer who is looking to brush up on specific skills to help you play better golf this season, then these clinics are perfect for you!

Our group lessons have been created with many years of experience, designed to challenge and improve specific areas of your golf game.

A PGA of Canada Certified Professional, with many years of experience, leads each lesson and will work with you to help you achieve your goals. Each group is limited to 8 students allowing the instructors to have time to work with each student personally. Equipment is available for use if you require it.
