

# Lynx Ridge Ladies InterClubs

To participate in the InterClubs you must be a member of both Lynx Ridge and the Lynx Ridge Ladies League.

## Business Ladies InterClub

BLIC promotes the enjoyment and development of golf. It encourages networking with other ladies through match play competitions. Lynx Ridge Business Ladies are involved with 8 other great courses. The Lynx BLIC division includes the following clubs: Bearspaw, Canyon Meadows, Calgary Golf, Earl Grey, Glencoe, Priddis, Pinebrook and Willowpark. Player participation requirement is to play one away and one home game. Each game costs the player \$4.50 (charged to your account) with the funds going towards the closing BLIC tournament prizes.

All of the clubs in each division annually host four interclub matches and attend four interclub matches at other courses. Games are played on Saturdays.

Every BLIC date is made up of two matches; one for 'A' players and one for 'B' players. 'A' players have handicap indexes between 0 and 22.0 and 'B' players have handicap indexes between 22.1 and 35.2. A maximum index of 35.2 is to be used for all matches.

The tees to be played will be the regular ladies tees that each club will determine. These are the same tees to be played for all interclub matches.

Rules of Match Play are in effect in accordance with the RCGA. Please note that Match Play is where you and a partner play a match with two ladies from an opposing course.

Always read the score card for local rules. Please keep pace.

This is a wonderful opportunity for the hosting club to showcase their golf course and ensure their guests have a wonderful time. It is also a nice gesture when the host club treats the guests to a round in the clubhouse after the match.

## Calgary Hospitality and Match Play

CHAMPS is a Calgary Ladies Golf Association event which recognizes the social aspect of the game and stresses hospitality, not competition. This is a social fun day that includes a lunch and we encourage you to participate.

CHAMPS is an interclub team match play event which is a round-robin schedule of games between 26 participating clubs. Player participation requirement is to play one away and one home game.

The cost per round for each participant is \$22.00 (automatically charged to your account when you play) which covers lunch after the completion of the round. Golf fees are waived and golf carts are at the expense of the player. Lynx Ridge will have seven home games and five away games for 2018. Games are usually played on Monday mornings with a few exceptions.

Each club sends four players: two members are 'A' players with handicap indexes of 0-22.1 and two are 'B' players with handicap indexes of 22.2-35.2. A maximum index of 35.2 is to be used for all matches.

The tees to be played will be the regular ladies tees that each club will determine. These are the same tees to be played for all interclub matches.

Please keep pace. Always read the score card for local rules.

Rules of Match Play are in effect in accordance with the RCGA. Please note that Match Play is where you and a partner play a match with two ladies from an opposing course.

Please refer to the CLGA Website for more information: [www.calgaryladiesgolf.ca/champs](http://www.calgaryladiesgolf.ca/champs)

## Day Ladies InterClub

DLIC is a friendly competition among players from five clubs with each club hosting one game throughout the season. The game is stroke play with full handicaps. The five participating clubs are: Lynx Ridge, Silver Springs, Elbow Springs, Pinebrook, and Canmore.

Each club sends two "A" players and two "B" players. Each of the five teams has one player from each club. A sixth team consists of the coordinators of the four visiting clubs. Games are usually played on Thursday mornings with a few exceptions.

The cost per round is \$22 charged to your account when you play, which covers lunch served after the round. Green fees are waived and golf carts are at the expense of the players.

'A' players have handicap indexes less than 22. 'B' players have handicap indexes greater than 22.1.

The tees to be played will be the regular ladies tees that each club will determine. These are the same tees to be played for all interclub matches.

Please read the 2018 Ladies League Package on the website before signing the Lynx Ridge Ladies League Registration form. To play in any InterClub, you are required to be a member of the Tuesday Ladies League.
