

# 2019 Lynx Ridge Ladies InterClubs

To participate in the InterClubs you must be a member of both Lynx Ridge and the Lynx Ridge Ladies League.

## Business Ladies InterClub

BLIC promotes the enjoyment and development of golf. It encourages networking with other ladies through match play competitions. Lynx Ridge Business Ladies are involved with 8 other great courses. The Lynx BLIC division includes the following clubs: Bearspaw, Canyon Meadows, Calgary Golf, Earl Grey, Glencoe, Priddis, Pinebrook and Willowpark. Player participation requirement is to play one away and one home game. Each game costs the player \$4.50 (charged to your account) with the funds going towards the closing BLIC tournament prizes.

All of the clubs in each division annually host four interclub matches and attend four interclub matches at other courses. Games are played on Saturdays.

Every BLIC date is made up of two matches; one for 'A' players and one for 'B' players. 'A' players have handicap indexes between 0 and 22.0 and 'B' players have handicap indexes between 22.1 and 35.2. A maximum index of 35.2 is to be used for all matches.

The tees to be played will be the regular ladies' tees that each club will determine. These are the same tees to be played for all interclub matches.

Rules of Match Play are in effect in accordance with the RCGA. Please note that Match Play is where you and a partner play a match with two ladies from an opposing course.

Always read the score card for local rules. Please keep pace.

This is a wonderful opportunity for the hosting club to showcase their golf course and ensure their guests have a wonderful time. It is also a nice gesture when the host club treats the guests to a round in the clubhouse after the match.

## Calgary Hospitality and Match Play

CHAMPS is a Calgary Ladies Golf Association event which recognizes the social aspect of the game and stresses hospitality, not competition. This is a social fun day where you get to showcase your home course and also experience other courses of the CLGA. We encourage you to participate.

CHAMPS is an interclub team match play event which is a round-robin schedule of games between 26 participating clubs. Player participation requirement is to play one away and one home game. Lynx Ridge will have six home games and six away games for 2019. Games are usually played on Monday mornings with a few exceptions

Each club sends four players: two members are 'A' players with handicap indexes of 0-22.1 and two are 'B' players with handicap indexes of 22.2-35.2. A maximum index of 35.2 is to be used for all matches.

The tees to be played will be the regular ladies' tees that each club will determine. These are the same tees to be played for all interclub matches.

Please keep pace. Always read the score card for local rules.

Rules of Match Play are in effect in accordance with the RCGA. Please note that Match Play is where you and a partner play a match with two ladies from an opposing course.

As of 2019 there is no fixed lunch charge as each participant will order and pay for their own meal or beverage off the club's menu. In the mindset of hospitality and fostering friendship, it is expected for you to stay and have lunch or a beverage as your time permits. Golf fees are waived and golf carts are at the expense of the player.

Please refer to the CLGA Website for more information: [www.calgaryladiesgolf.ca/champs](http://www.calgaryladiesgolf.ca/champs)

## Day Ladies InterClub

DLIC is a friendly competition among players from five clubs with each club hosting one game throughout the season. The five participating clubs are: Lynx Ridge, Silver Springs, Elbow Springs, Pinebrook, and Canmore.

Starting the 2019 season, the game is net stableford where points are awarded based on your net score for each hole. Each club sends two "A" players and two "B" players. Two team members from each club play together in each foursome. 'A' players have handicap indexes between 0 and 20.1. 'B' players have handicap indexes between 20.2 and 35.8.

The teams are rotated through so that by the end of the season each club will have played with ladies from each participating club. Games are usually played on Thursday mornings with a few exceptions.

The cost per round is \$22 charged to your account when you play, which covers lunch served after the round. Green fees are waived and golf carts are at the expense of the players.

The tees to be played will be the regular ladies' tees that each club will determine. These are the same tees to be played for all interclub matches.

Please read the 2019 Ladies League Package on the website before signing the Lynx Ridge Ladies League Registration form. To play in any InterClub, you are required to be a member of the Tuesday Ladies League.

**The Key to Good Match Play**  
 When playing match play, players will always be more successful by maintaining a positive mental outlook and keeping emotions at bay. The opponent is not the enemy, so always be respectful and use the best course etiquette during the match.  
 Expect the opponent to make every putt, hit good shots, and get lucky breaks. There is nothing that can be done about the opponent's game and players must focus on their own game.  
 Be aware of what the opponent's score is and what their next shot is while at the same time, maintaining most of the focus on the player's own game.  
 These are social events. Stay light hearted and enjoy the opportunity to show case your course and being treated to the away courses.
